SANCTIONS)

REF: STATE 73219

11. We conveyed reftel discussion of the U.S. 60-day report in fulfilment of UNSCR 1747 to Ramadansyah Hasan in the International Security and Disarmament Directorate of the Indonesian Department of Foreign Affairs on June 8. We provided a copy of the U.S. report and stressed the importance of submission of reports by all UN Member States.

12. Hasan thanked us for the U.S. report and said UNSCR 1747 was binding on all Member States. He said Indonesia intended to submit a report but had not yet completed it, and undertook to provide a copy of the Indonesian submission once it became available. He noted Indonesia had already submitted its report on UNSCR 1737.
